Our promise

Sika is a global company with a world-wide network of subsidiaries active in the fields of speciality chemicals for CONSTRUCTION and INDUSTRY. Sika is committed to quality, service, safety and environmental care. Our world-leading branded products are all proven solutions and are based on our core capability in the following areas:

Sealing - Bonding - Damping - Reinforcing - Protecting

Sika was founded in Switzerland in 1910 and operates as a global company with a total of around 80 production and marketing companies in over 60 countries.

Globally Sika employs in excess of 8000 people and generates an annual turnover of over 2000m CHF.

Sika is active in the field of speciality chemicals dividing its activities into two business areas; the Construction Division and the Industry Division.

While on the technical side these two business areas are closely linked, on the commercial side they reduce the vulnerability to economic cycles because they depend on different markets. The technological affinities permit economies of scale in the areas of R&D, purchasing and production.

Sika is a company with a strong innovative tradition, constantly striving for new levels of excellence. This means developing innovative technologies that will open up new opportunities for the company, its employees, and its partners in trade and industry.

Our values

Each product and service reflects our commitment to the three core values that define our company:

Innovation - Consistency - Partnership

Our voice

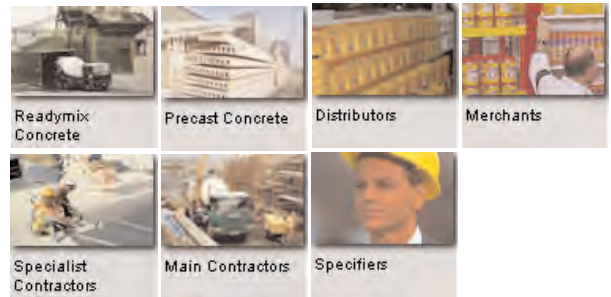

We speak from experience and with a global understanding. We talk knowledgeably about the local and geographical issues faced by our customers. We respond to our customers quickly, wherever they are, in an approachable and friendly way.

Sika Limited

Sika Limited, the UK subsidiary of the worldwide Sika Group was established in 1927 and through both organic growth and commercial acquisition, including the incorporation of former Trocal and Armorex materials, produces and markets a wide range of state-of-the-art systems. Within the UK, as in all other group locations, Sika operates to optimal levels of performance, demonstrated through possession of EN ISO 9001 certification for quality control and EN ISO 14001 for environmental management. Wherever possible products are manufactured to European and British Standards, are approved by the British Board of Agrément or provide unique and superior properties. Sika Limited are also active members of many organisations and bodies relevant to the strategic businesses.

The reputation for Sika for quality and reliability is virtually unmatched, illustrated through a comprehensive portfolio of problem solving products that have been employed for many years in wide diversity of applications.

Our Customers

Our Key Markets

- Transport Infrastructure
- Water Industry
- Power Industry
- Institutions
- Manufacturing Industry
- Buildings
- Military Installations
- Communication

Our Service

- On site advice and support
- Head office technical advisors
- Method statements
- Product application training
- CPD seminars
- Approved applicator network
- Distribution networks
- Product warranties
- Maintenance documentation
- References
- Applicator selection

Admixtures for Concrete

Product Brands

- Sika ViscoCrete®
- Sikament®
- Plastocrete®
- Plastiment®
- SikaRapid®
- Sika-Aer®
- Sika Retarder®
- Sika Control®
- SikaPump®

Product Profile

- Water reducing agents
- High performance plasticisers
- Superplasticisers
- Retarders
- Accelerators
- Air entraining agents
- Mortar and grout admixtures
- Sprayed concrete admixtures
- Permeability reducers
- Formwork treatment
- Curing agents

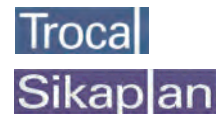

ORGANISATION MEMBERS

Roofing

Product Brands

- Trocal®
- Sikaplan®

Product Profile

- Single ply PVC membranes
- Metal sheet
- Butt straps
- Homogenous reinforced PVC walkway sheets
- Polyester fleeces
- Vapour checks
- Vapour barriers

ORGANISATION MEMBERS

Elastic Sealing & Bonding

Elastic Sealing

Elastic Bonding

Product Brands

- Sikasil®
- Sikaflex®
- SikaBond®
- SikaTack®
- Elastosil®

Product Profile

- Polyurethane sealants
- Silicone sealants
- Fire resistant sealants
- Polyurethane adhesives
- Acoustic mats
- Curtain walling sealants
- Secret fix cladding panel polyurethane adhesives
- Structural glazing adhesives
- Wood floor adhesives

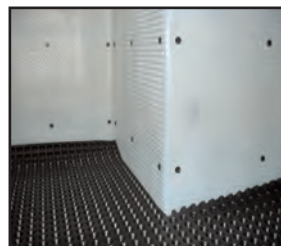

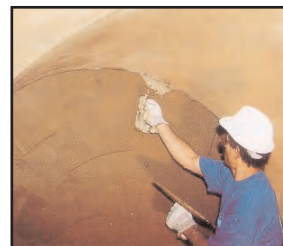

ORGANISATION MEMBERS

Association of Sealant
Applicators Limited

Waterproofing

Product Brands

- Sika®-1
- SikaMur®
- Sikadur-Combiflex®

Product Profile

- Integral liquid waterproofers
- Structural waterproofing systems
- Damp-proofing renders/finishes
- Damp-proofing membranes
- Surface jointing systems
- Re-injectable joint sealing systems
- Swellable sealants
- Swellable profiles
- Cavity drainage systems

ORGANISATION MEMBERS

Concrete Repair & Protection

Product Brands

- Icoment®
- SikaTop®
- MonoTop®
- FerroGard®
- Sikagard®

Product Profile

- Steel reinforcement primers
- Repair mortars
 - Hand placed
 - Machine applied
 - Flowable
- Levelling mortars
- Corrosion inhibitors
- Impregnations
- Coatings

ORGANISATION MEMBERS

Flooring

Product Brands

- Sikafloor®
- Sika Armorex®
- Sikagard®

Product Profile

- Hardeners, sealers and dustproofers
- Curing agents
- Primers
- Coatings
- Self smoothing screeds
- Mortar screeds
- Seal coats
- Anti-static systems
- PMMA fast cure systems
- Polymer screeds/underlays
- Dry shake hardeners
- Aggregates
- Chemical resistant systems

ORGANISATION MEMBERS

Rigid Bonding & Strengthening

Product Brands

- Sikadur®
- CarboDur®
- SikaWrap®

Product Profile

- Carbon fibre plates
- Structural fabrics
 - Carbon
 - Aramid
 - Glass fibre
- Structural adhesives
- Injection resins

ORGANISATION MEMBERS

Grouting & Anchoring

Product Brands

- SikaGrout®
- Sika AnchorFix®

Product Profile

- Cementitious grouts
- Epoxy resin grouts
- Elastomeric rail grouts
- Polyester anchoring resins
- Epoxy anchoring resins

ORGANISATION MEMBERS

Protection Coatings for Steel

Product Brands

- Icosit®
- Friazinc®
- Poxicolor®

Product Profile

- Primers
 - One-part zinc phosphate
 - Two-part epoxy zinc rich
 - Two-part epoxy zinc phosphate
 - Two-part epoxy surface treatment
- Intermediate/finishing coat
 - One-part PVC acrylic
 - Two-part epoxy MIO
 - One-part PU alkyds
 - Two-part polyurethane
 - Two-part epoxy anthracne
 - One-part polyurethane

ORGANISATION MEMBERS

HEMSA

Distribution

Product Brands

- SikaBond®
- Sikaflex®
- Sikadur®
- Sika AnchorFix®
- Sika Grout®

Product Profile

- Waterproofing liquids
- Damp-proofing systems
- Liquid admixtures
- Surface treatments
- Fixing systems
- Sealants, adhesives & fillers
- Timber flooring fixing systems
- Floor levellers
- Floor treatment & coatings
- Repair mortars
- Bitumen waterproofing
- Bitumen troof coatings
