# Welcome to Altro

---

Altro have been at the forefront of innovation for almost 100 years. Today, working closely with architects, end customers, engineers, designers and contractors around the world, our insight and expertise help them transform everyday spaces into environments that can improve the wellbeing of everyone that uses them.

And by consistently turning creative thinking into practical, real-world solutions – that maintain the highest standards of safety and durability – Altro have become synonymous with quality.

As a family-founded business, we have a strong sense of what we value and a way of thinking inspired by The Bauhaus – a balance of quality, form and design-led function – that puts people's needs at the heart of everything we do. It's a human-centred approach to designing for the demands of 21st century life.

It's a history that means we value the bold, the brave and the new. From focusing on how the different sectors we serve need their spaces to perform, to the call for more environmentally sustainable materials, Altro are constantly challenging what is possible and seeking new ways of inspiring our customers and answering their biggest challenges.

With offices across Europe, the Americas, Asia Pacific and the Middle East, we remain committed to developing solutions that stand the test of time.

We combine the best in contemporary style with the functionality required to improve the way we all live and work, wherever in the world that may be.

We are Altro.

## Altro Cantata

### Application areas:

- corridors in hospitals, residential care homes and education buildings
- patient rooms in hospitals
- general circulation areas in retail, kindergartens, schools and universities

Altro Cantata is a decorative, **adhesive-free** floor that creates maximum impact with minimum downtime. Using our award-winning adhesive-free installation method, it can be welded and walked on the same day, and at the end of its life can be removed easily, allowing it to be reused or recycled. It is ideal for busy public spaces where disruption needs to be minimal, plus there are no associated adhesive odours. Altro Cantata's 16 soft-look shades, which range from subtle naturals to beautifully vivid, enable you to set the desired tone yet it also has the durability needed for medium to high traffic areas.

Available in 16 colours.

## Altro Orchestra

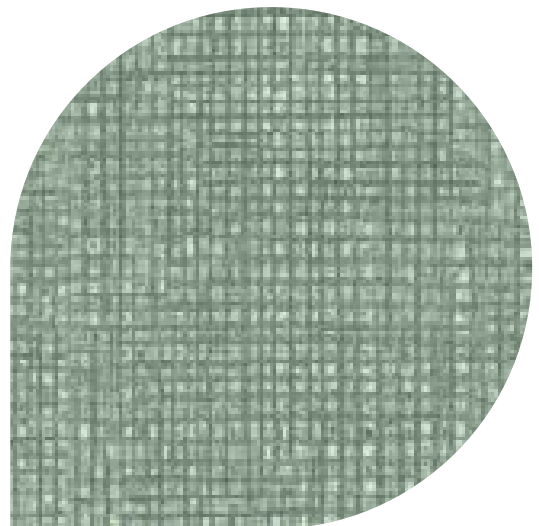

### Application areas:

- school, kindergarten and university corridors and classrooms
- student accommodation
- hospital and care home corridors and patient / resident rooms
- retail
- home adaptations / social housing

For areas where comfort and sound reduction are important, 2.85mm Altro Orchestra has been engineered to create the ideal environment to learn and live. Low residual indentation facilitates the flexible use of equipment and furniture, including hospital beds. At the same time, the integrated impact sound insulation system cuts impact sound by up to 15dB.

It offers comfort underfoot making life easier on the feet of students and patients but particularly hard-working staff who spend countless hours on the move.

With a palette of 40 colours and designs, Altro Orchestra allows you to create the right atmosphere every time. It coordinates with Altro Operetta, Altro Serenade and Altro wall sheets for a complete look throughout.

## Altro Operetta

### Application areas:

- hospital / care home corridors and patient rooms
- retail
- schools, universities – general circulation areas, corridors

Altro Operetta is a robust floor perfect for medium to high traffic areas. It is easy to clean and maintain. It has 25 attractive, natural and contemporary colours and finishes to fit in your interior design scheme. It matches and coordinates with Altro Orchestra and Altro Serenade to create a complete look throughout.

Combine with our extensive range of Altro wall systems: Altro Whiterock for areas requiring a hygienic surface and Altro Fortis wall protection for busy areas that need extra protection.

Available in 25 colours.

## Altro Serenade

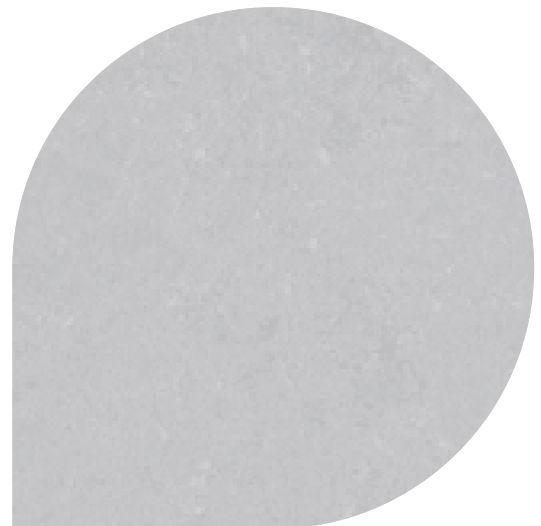

### Application areas:

- kindergarten playrooms
- hotel rooms
- offices
- care homes
- anywhere where the passage of sound must be prevented between storeys

Silence is golden. Whether softening the sounds of little feet or maximising privacy at work or leisure, acoustic Altro Serenade is more than up to the task. At 3.9mm thick and with 19dB impact sound insulation, not only does it reduce noise, it provides a high level of comfort underfoot, making it a great solution for well-used spaces.

With 15 colour and design options, it matches and coordinates with Altro Orchestra and Altro Operetta.

Combine with our extensive range of Altro wall systems: Altro Whiterock, for areas requiring a hygienic surface and Altro Fortis wall protection for busy areas that need extra protection.

## Altro Zodiac

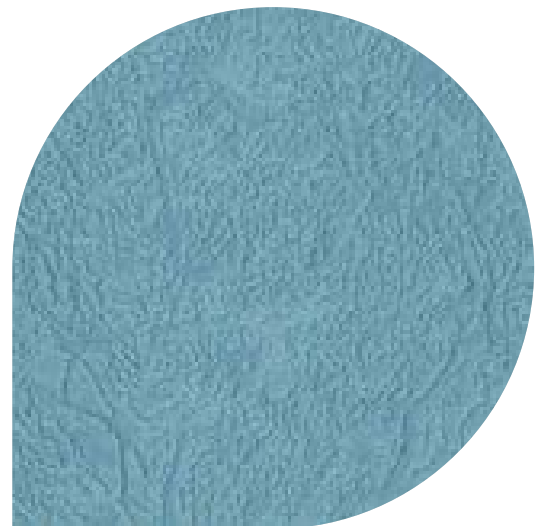

### Application areas:

- care homes
- children's hospitals
- clinics
- student accommodation
- school classrooms and corridors
- galleries, retail and offices

Altro Zodiac Smooth provides an adaptable design that works anywhere and is great in large areas, from care homes to student accommodation. Altro Zodiac Smooth comes in a range of 24 colours, chosen to reflect your mood: warm, cool, neutral or vibrant. So express your true colours.

It is easy to maintain and can be welded to provide a hygienic surface, making it ideal for areas where infection control and high standards of cleanliness are required.

We strongly recommend carrying out a risk assessment in any area in which the installation of smooth flooring is considered, focusing on the potential risk posed by contaminants from spillages. Please see our section on safety for more information.

## Altro Reliance 25

### Application areas:

- corridors subject to foot and wheeled traffic including hospital streets
- laboratories (secondary / tertiary school labs / industrial)
- clinical areas in hospitals
- atria / receptions in large public buildings

We have merged our popular Altro Designer 25 with Altro Unity 25 to create one solution for your tough areas. With a palette of 27 colours, this robust safety flooring gives you design flexibility with the durability you would expect from our 2.5mm safety flooring range. It can cope with high levels of foot and wheeled traffic without compromising on slip resistance.

Combine with Altro Fortis wall protection system for your toughest areas.

## Altro Atlas 40

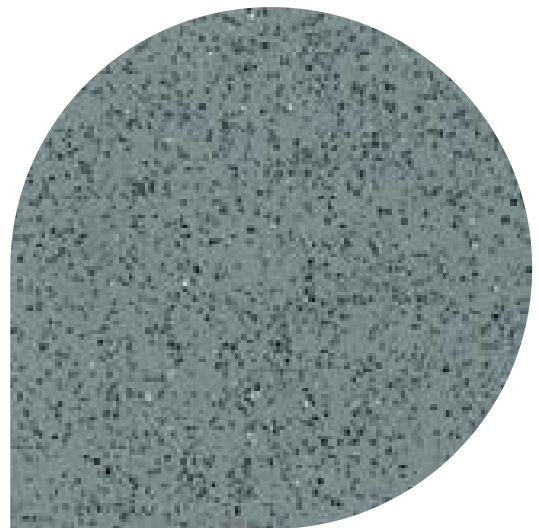

### Application areas:

- industrial areas exposed to heavy wheeled traffic such as pallet trucks and occasional forklift traffic (for more intense forklift traffic, an Altro resin is more suitable)
- sports changing rooms where spiked or studded shoes / boots are used
- mezzanine areas

Tough as old boots... and new boots, steel toe-capped work boots and studded football boots. Altro Atlas 40 is our most robust safety flooring, and is suitable for areas exposed to shoes with studs or spikes. It's well suited to heavy duty industrial use and sports changing rooms.

Hard wearing, stable, and resistant to mechanical damage and chemicals, Altro Atlas 40 provides long term durability and slip resistance, and is easy to clean and maintain.

Available in 5 colours.

## Altro Suprema

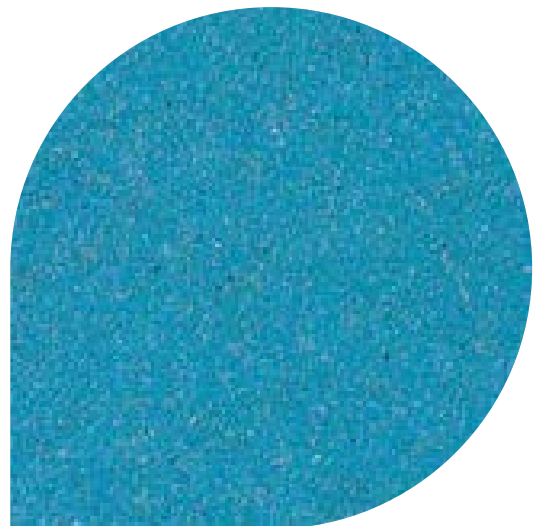

### Application areas:

- indoor public spaces which are mainly subjected to foot (not wheeled) traffic, including lobbies, entrance areas, corridors
- classrooms (for labs and CDT areas, see Altro Walkway 20 SD, Altro Reliance 25 and Altro Classic 25)
- hospital wards and corridors

Looking for that designer feel in a safety flooring? Look no further than Altro Suprema – a stunning, non-sparkle safety floor that gives you complete design freedom. With 12 new colours including three ‘flake’ designs, one of its 40 shades will match the mood you want to create.

Design-led Altro Suprema has been developed in consultation with colour consultants, architects and end users to reflect design requirements and interior trends. It gives a colour punch to your public spaces.

So from sophisticated Snowflake to bright Bee, the only limit is your imagination.

## Altro Wood Safety

### Application areas:

- hospital / care home corridors and living areas
- patient areas
- retail
- kindergartens, schools, universities: general circulation areas, corridors

This attractive, general purpose 2mm wood-look flooring is available in a range of designs with different plank sizes and shades including a bamboo-look fine-line design and wide plank classic and rustic designs, helping you create the right look for areas where people live and work.

Altro Wood Safety is designed to cope with medium to heavy traffic. It is also a perfect partner for a variety of wall shades and finishes, from wall cladding to metal and glass, making design simpler. With matching design and colour options across this range and Altro Wood Safety Comfort you can achieve a consistent look in different areas.

Available in 20 colours.

## Altro Wood Safety Comfort

### Application areas:

- corridors and classrooms in schools, kindergartens, universities
- student accommodation
- hospital / care home corridors and patient rooms
- retail
- home adaptations / social housing

Altro Wood Safety Comfort offers aesthetics combined with comfort. It's an ideal choice for areas that need to look good while helping to give comfort underfoot. This 2.85mm thick option offers 14dB sound reduction, which is great for noisy environments such as hospitals and kindergartens.

It is also suitable for wheeled traffic and low residual indentation facilitates the flexible use of equipment and furniture, including hospital beds.

With matching design and colour options across this range and Altro Wood Safety you can achieve a consistent look in different areas. Select from the ranges for the right technical performance required for the area.

Available in 12 colours.

## Altro Walkway 20

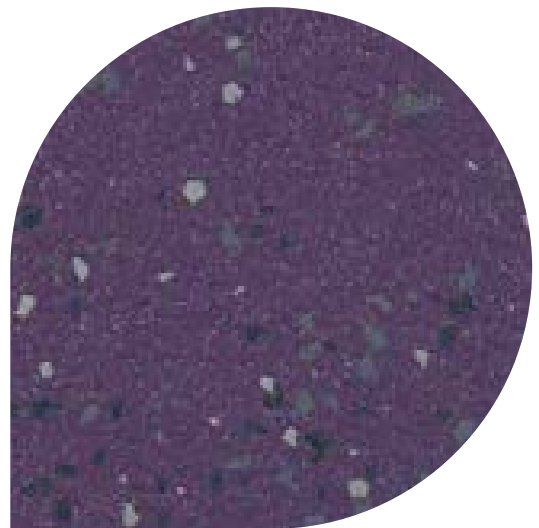

### Application areas:

- general purpose

The range has 42 colours – featuring bright and subtle, sparkle-free designs, and decorative chipped options which give you enhanced design flexibility.

Altro Walkway 20 shares its colour range with Altro XpressLay. This enables you to combine use of both ranges when you need traditionally adhered and adhesive-free safety flooring in adjacent areas.

You've loved working with Altro Walkway 20 for over 25 years because it's easy to cove and weld. It achieves  $PTV \geq 36$  on the pendulum test giving sustained slip resistance throughout the lifetime of the product. It also includes PUR cleanability, superior chemical and stain resistance.

## Altro Walkway 20 SD

### Application areas:

- labs with static sensitive equipment / gases
- computer suites
- production areas for electronics

### Matches:

Shade matches Altro Walkway 20 Fog so there's no compromise on aesthetics.

Minimise the risk of damage to static-sensitive equipment, such as computers, with the “SD” (static dissipative) version of Altro Walkway 20 safety flooring. It's ideal for laboratories, computer suites and electronic assembly areas.

# Floors – Safety

## Altro XpressLay

### Application areas:

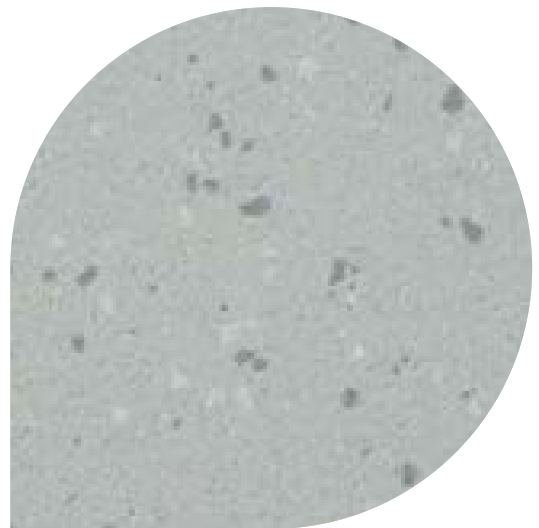

- general purpose for areas where the ability to remove and recycle post-installation plays an important part in your requirements for sustainable flooring finishes

Altro XpressLay can save you time and money. It can be installed and removed quickly and reused and recycled, helping both you and the environment.

This system has a studded emboss on the underside of the flooring which allows any subfloor moisture to escape. It has been designed to lie flat, without the need to be adhered. Altro doubled-sided, moisture-tolerant tape is used to secure the flooring in place while you weld. Altro XpressLay is **adhesive-free** giving you same-day welding and allowing you to walk on the floor straight away.

Altro XpressLay has the slip resistance, life expectancy and ability to withstand heavy loads that you expect from Altro safety flooring.

The range has 42 colours and matches with Altro Walkway 20.

## Altro Stronghold 30

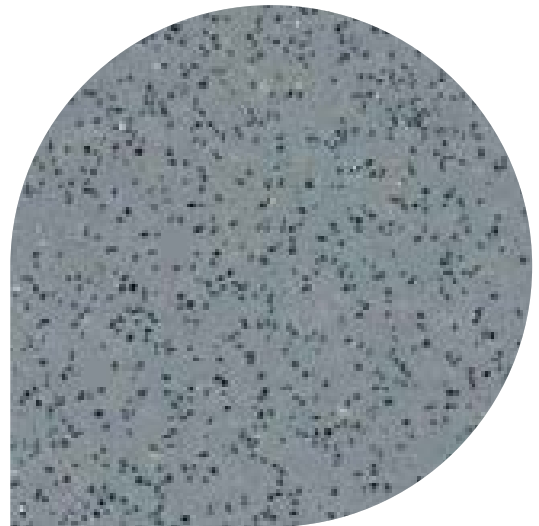

### Application areas:

- kitchens
- canteens
- food preparation and service areas
- areas where grease, oils or fats are present

Water underfoot is treacherous enough – add grease, oils and fats, and you’ve got a dangerous environment. So, for commercial kitchens, canteens, food preparation and service areas, it’s essential to select flooring that will help catering staff do their job safely.

Altro Stronghold 30 achieves Altro’s highest rating for slip resistance (PTV  $\geq 55$ , R12) and is designed to minimise risk in wet and greasy conditions for the lifetime of the flooring. As well as helping to keep staff safe from slips, it also helps reduce their fatigue, thanks to its 3mm thickness which provides noise reduction and comfort underfoot.

Altro Stronghold 30 is frequently specified with Altro Whiterock White and Altro Whiterock Satins to create safe and hygienic environments in commercial and industrial kitchens.

## Altro Aquarius

### Application areas:

- bathrooms and showers
- changing rooms\*
- saunas and spas
- wet environments in social care: home adaptations, social housing
- student accommodation

\*In changing rooms where spikes and studs are used, we recommend Altro Atlas 40

Achieving a PTV  $\geq 50$  (Slider 96) and Class B to DIN51097 for barefoot use, Altro Aquarius provides optimum lifetime sustained slip-resistance in wet and dry environments.

With 20 shades to choose from, this range features plain and tonal chip options, including an on-trend indigo shade to help you achieve high contrast and design flexibility.

It's a 2mm safety floor that has been extensively tested on a variety of shoe types to ensure top performance in a host of environments – bathrooms, changing areas, hospital wards. No longer do you have to choose between studded or standard safety flooring. With Altro Aquarius you can have it all. Good looks and comfort, without compromising on safety.

## Altro Pisces

### Application areas:

- bathrooms / showers
- wet environments in social care: home adaptations, social housing
- student accommodation
- saunas / spas
- changing rooms\*

\*In changing rooms where spikes and studs are used, we recommend Altro Atlas 40

For 'home from home' environments, looks really do matter. For those providing accommodation, safety remains a top priority, especially in wet environments where the likelihood of a slip is high. Achieving Class B to DIN51097 for barefoot use, plus a Pendulum Test Value (PTV) of  $\geq 50$  (Slider 96), a soft-look finish and 16 attractive shades, Altro Pisces brings together the best of both worlds.

Altro Pisces has a consistent, soft appearance that you would want from domestic interiors, with the lifetime sustained slip-resistance you expect from Altro.

Altro Pisces performs whether wet or dry, in shoes or barefoot.

## Altro Marine 20

### Application areas:

- foot wash areas at swimming pools

Altro Marine 20 has a dimpled surface that's specially designed for bare feet where you need Class C and the risk of a slip is very high. It provides excellent slip resistance and its hardwearing construction makes it resistant to most chemicals and indentation. It is easy to maintain, so it will keep looking good and performing well.

## Altro Classic 25

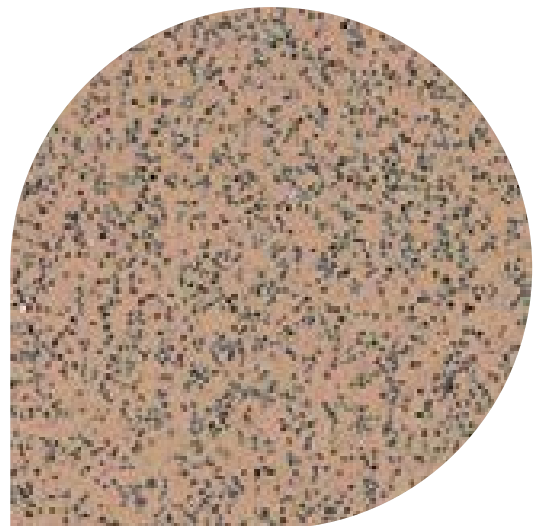

### Application areas:

- locations where substances like chalk, paint, clay or dirt are present, such as craft, design and technology (CDT) / art rooms and circulation areas

Classic by name, classic by nature. Altro Classic 25 was the first ever safety flooring; it's been tried and trusted for over 60 years, and its traditional, industrial look is still popular today.

Altro Classic 25 provides lasting slip resistance, durability and abrasion resistance, making it ideal for use in heavy traffic areas – particularly with wheeled traffic. It's also good for areas where occasional moisture and dust can increase the risk of slipping as it has a Pendulum Test Value (PTV) rating  $\geq 45$  and an R11 slip rating.

Available in 12 practical, dirt-hiding shades, with the addition of new colours for even greater choice, Altro Classic 25 is easy to clean and maintain.

## Altro Whiterock White

### Application areas:

- kitchens: cold store, cook, chill, food prep
- clinical areas
- clean rooms
- laundries
- mortuaries
- bathrooms
- showers and changing areas

Thinking of replacing ceramic wall tiles with a proven, high performance option? Consider Altro Whiterock White – the hygienic alternative to tiles that's impact resistant, grout-free and easy to clean. Its smooth white surface and classical purity make it a timeless choice for any interior.

HACCP-approved Altro Whiterock White is made from a high-quality, food-safe PVCu polymer that can handle temperatures up to 60°C, and meets all current EU Directives on health and hygiene. This makes it particularly suitable for use in commercial kitchens especially combined with Altro Stronghold 30.

## Altro Whiterock Satins

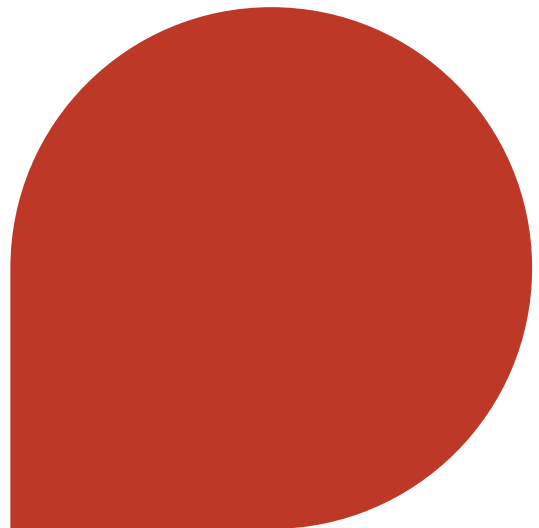

### Application areas:

- bathrooms
- showers and changing areas
- operating theatres and wards
- splashbacks
- cooking and food preparation areas
- serveries
- kitchens open to public view

Use colour to subtly create a mood with Altro Whiterock Satins. This versatile and sophisticated wall sheet is available in a range of solid, decorative, satin shades – now with 27 colours to choose from including a new fresh green shade ‘Orchard’.

Of course, Altro Whiterock Satins still provides the impact resistance and hygiene you would expect from Altro Whiterock, with a stain-resistant, wipe-clean surface.

Altro Whiterock Satins can be combined with Altro non-sparkle safety flooring to achieve the required Light Reflectance Value difference needed for the requirements of the Equality Act 2010.

## Altro Whiterock Digiclad

### Application areas:

- feature walls - foyer and reception areas
- wards and bedrooms
- patient rooms
- operating theatres
- recovery rooms
- coffee shops
- care homes
- dementia units

Create the right impression with a bespoke design on your wall. From a calming coastal landscape in a hospital ward to a bold company logo in a reception area, the only limit is your imagination.

Altro Whiterock Digiclad is created by reproducing a photographic image or vector art onto Altro Whiterock wall sheet, with consistent, photographic quality. Hard-coat technology provides scratch-resistant properties for added surface protection, making Altro Whiterock Digiclad ideal for areas where durability is important.

## Altro Whiterock Splashbacks

### Application areas:

- bathrooms
- hydrotherapy
- spas
- changing rooms
- serveries

Hygienic, low-maintenance, convenient and easy to install... no wonder Altro Whiterock Splashbacks are such a popular alternative to tiles. They're available as kits in a range of sizes to suit most hand wash basins and vanity units, or custom sized for the perfect fit.

Giving you the flexibility to coordinate or contrast, Altro Whiterock Splashbacks come in a vast array of colours and finishes complemented by colour-matched sealants. Choose from Altro Whiterock Satins or Altro Whiterock Chameleon ranges, pick your size, and away you go.

## Altro Fortis Titanium

### Application areas:

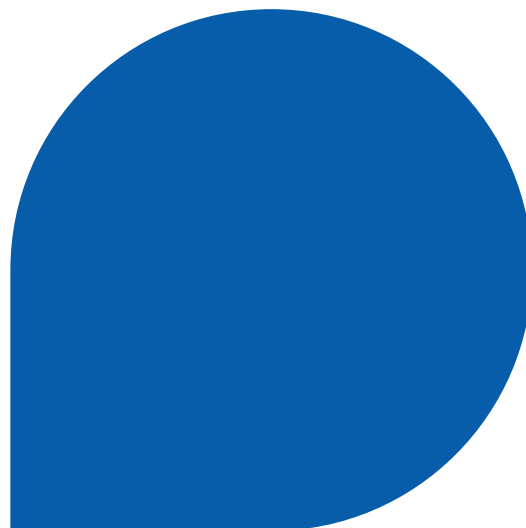

- public areas subjected to high levels of traffic
- circulation areas
- corridors
- classrooms

Altro Fortis Titanium is constructed from highly durable semi-rigid sheet, which is dense, impervious material, resistant to bumps. It features a lightly textured surface, which camouflages scuffs, keeping the wall area looking better for longer.

Available in 10 colours, including muted and vibrant shades, Altro Fortis Titanium matches many of the popular shades from the Altro Whiterock Satins hygienic wall sheet range. This offers flexibility when it comes to design, making it a versatile solution across a range of areas. Plus the colour runs throughout, reducing the visibility of knocks or scrapes. Bespoke colour options are also available to meet any specific requirements\*\*.

With an impervious, easy-to-wipe surface, Altro Fortis Titanium improves cleanability.

\*\* Conditions apply. Please contact us for more information.

# Doors

## Altro Whiterock hygienic doorsets

### Application areas:

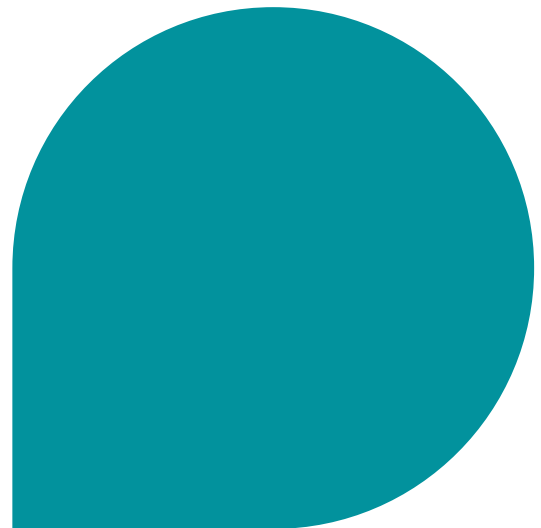

- operating theatres
- pharmacies
- kitchens
- corridors
- labs

In areas where hygiene is crucial, or where doors take a lot of abuse, Altro Whiterock hygienic doorsets are the answer. Faced with PVCu, they're not only tough and impact-deflective, but also hygienic and low maintenance.

Altro Whiterock hygienic doorsets are custom-made to meet your needs, and can be designed for use on their own or as part of a complete Altro system including hygienic wall sheets and flooring.

They're available clad in any of the Altro Whiterock ranges, so you can choose colours that can complement your decor or create contrast to aid with wayfinding.

Our doorsets are available in a wide range of bespoke options.

# Doors

## Altro Fortis doorsets

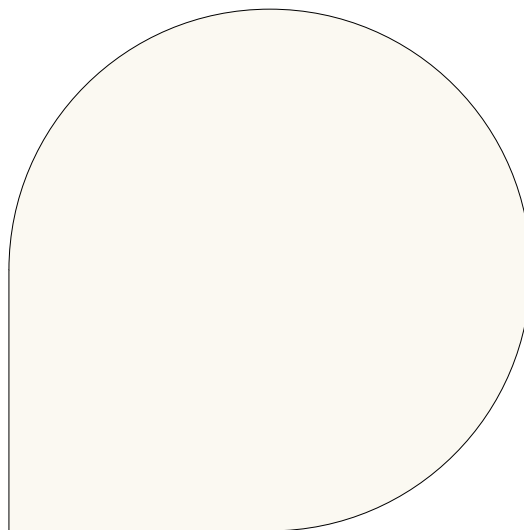

### Application areas:

- hospital corridors
- school / university corridors
- lobbies

This fully clad, custom-made option is perfect for public areas where doors are constantly in use and demand robust protection. Faced with the Altro Fortis Titanium sheet on both sides and all edges, these doorsets offer you optimum protection.

Doorsets faced with Altro Fortis Titanium are hard-wearing, impact and scuff resistant and have a wipe clean finish for easy maintenance. They can be used alongside Altro Fortis Titanium wall protection sheet and Altro Fortis corner protection to create a complete, robust protection system where it's needed.

Our doorsets are available in a wide range of bespoke options.

# Doors

## Altro Fortis door protection

### Application areas:

- public areas subjected to high levels of traffic
- circulation areas
- corridors
- classrooms

In busy public areas, clad your existing doors to protect them where they need it most, helping prevent scuff and impact damage.

Simply order the standard Altro Fortis Titanium sheet, and cut it to size, fitting it to the height you need protection for, or if you prefer, we can do the hard work for you. Let us know the size you require and we'll cut it for you.

Available in 10 colours.
