

The AUTOPA open spaces Picnic Table

With a simple, traditional design the AUTOPA open spaces Picnic Table is ideal for communal areas such as schools and parks. Manufactured from galvanised mild steel, the Picnic Table is designed to function for many years with only minimal maintenance.

Flanged and coated black as standard and alternative colours are available upon request (please state BS/RAL numbers a time of order).

Installation & use

All bolts and fixings are included with the Picnic Table (some on site assembly is required).
 Flanged Picnic Tables require bolting to an appropriate concrete surface by means of four 10mm anchor bolts (supplied as standard).
 Ragged Picnic Tables require a hole of at least 300mm² x 350mm deep for casting into fresh concrete.
 This product is guaranteed for 12 months (*if installed and used correctly*).
