Friendship Seat

To enhance the school learning environment, enforce the elimination of loneliness and foster friendship on the playground we have developed a range of brightly coloured playground furniture designed to ensure that children who are upset, have no one to play with or who wish to talk about a concern can find someone to talk to.

The idea behind our friendship range is that lunchtime supervisors, all pupils or designated pupils look after, chat or play with any child sat on a friendship seat or buddy bench.

We suggest that our friendship playground furniture is:

- Sited away from very active areas of the playground
- Finished in stand out bright colours
- Customised with a meaningful phrase
- Decorated with a standard or unique design

Dimensions Available 1800mm wide. (size is approximate)
Fixing Above ground fixing. Fixings can be supplied
