Die-Cast Bulkhead Lights – Enhanced Range

Two new products have been added to the Die-Cast Bulkhead range enhancing an extensive line up of energy saving bulkhead lights to cover multiple installation choices.

A powerful and energy saving alternative to standard bulkhead lights – instantly bright like halogens but at a fraction of the running costs.

The super-slim die-cast design and tough polycarbonate lens make them ideal for industrial, commercial and home installations.

- Cross Bezel version (LEDBHR25CB) for added protection in the toughest of environments.
- Eye Lid version (LEDBHR25ELB) with wide light diffusion pattern for directional area coverage.
- A powerful and energy saving alternative to standard bulkhead lights.
- LED Bulkhead Lights are instantly bright like halogens but at a fraction of the running costs.
- Up to 1800 Lumens of cool white light (colour 5000k).
- Wide light diffusion pattern.
- Robust die-cast housing with tough polycarbonate lens suitable for industrial, commercial and home installations.
- IP65 weatherproof rating.
- Anti-tamper screws.
