Arezza

Arezza is a kit to **obtain a fossilized or aged wood fnish.** The kit consists of the following products:

Patina (A): ecological natural patina in lime base.

Shade (B): varnish (shade available in 4 shades) that gives tonality to wood. It is used to obtain natural and decorative finishes for wood.

Protector (C): water-based polyurethane varnish. Highlights the beauty of the wood without altering the tonalities and contrasts of the grain. Guarantees an excellent resistance to bumps, scratches and stains.

Shades for wood
Shades are available in 4 different tones.

Colours are approximate and may vary from the original colour.
