GrafClean

Premium

GrafClean is an **ecological paint** for interior and exterior with more than 1000 available colours. **Free of VOC emissions**, and certified for moisture control* in concrete surface protection systems (EN 1504-2).

Its **ecological base** allows you to decorate in a healthier way, allowing your **walls to breathe**.

Thanks to its formula with **graphene technology**, it is resistant to cleaning (**up to 200 washes without damage**), also providing a **high performance** and ensuring **perfect coverage**.

White*

Colour

With selected pigments that allows resistant and long-lasting colours.

*GrafClean White: certified for moisture control in concrete surface protection systems (EN 1504-2).

Why to paint with GrafClean?

It is an ecological and healthy paint thanks to its breathable base and its VOC-Free formula.

BREATHABLE

ECO FRIENDLY

ODOURLESS
PAINT

VOC FREE

Thanks to our graphene technology, it resists, covers and yields more; which means less quantity of paint is needed to cover a wall completely.
