klinik

Vertical Blinds

Designed for use in healthcare environments, **klinik** vertical blinds by Astralux are easy to use and help to maintain a more hygienic environment.

PRODUCT FEATURES

- Wand operated and no bottom link-chain, so child safe by design
- Anti-dust sealed bottom pockets
- Wipe clean fabric
- Proven to be robust and comes with a five year warranty
- Fabrics perfectly suited to a healthcare environment

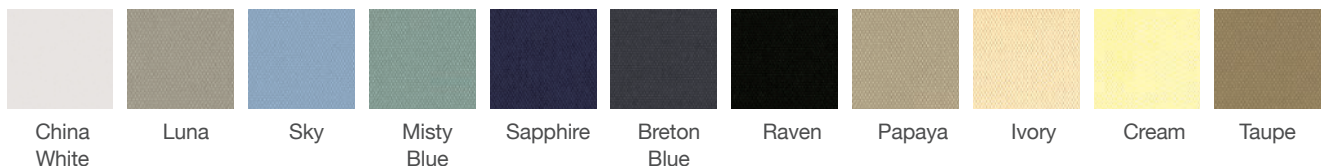

You can choose from three types of fabrics (standard, smooth and dim-out), which are available in up to twenty four colours.

All fabrics are treated with an Ultra-Fresh coating.

ULTRA-FRESH

- Inhibits the growth of odour causing bacteria, fungi, mould and mildew, producing a self-deodorising surface
- Kills superbugs such as MRSA
- Retains its sterile properties even after cleaning, and therefore helps to maintain a more sterile environment
- Ultra-Fresh is a registered trade mark of Thompson Research Associates, Canada and is used in a variety of fabrics for the UK healthcare sector

COLOURS 24 colours available throughout 3 fabric ranges - most popular shown below
