HIGHLINE FLOOR DRAIN | UK

## AESTHETICS AND FUNCTIONALITY

Unidrain is known for streamlined and elegant design, which makes it possible to combine both aesthetics and functionality. It's been 15 years since Unidrain launched the first groundbreaking floor drain which changed the standards of modern bathrooms, and ever since, more products has been added.

In 2010 we introduced the exclusive floor drain series HighLine, which won several design awards. The HighLine series offers the ability to create a unique solution for your bathroom.

For HighLine

HighLine floor drain | Custom tile solution

## HIGHLINE SERIES

HighLine is Unidrain's exclusive, award-winning series. The series is available in both solid steel panels, and a discreet solution with a floor tile of your own choice.

- 1 HIGHLINE | PANEL with frame
- 2 HIGHLINE | CUSTOM without frame,  
A floor tile of your own choice is placed on the top.
- 3 HIGHLINE | CUSTOM with frame
- 4 HIGHLINE | CASSETTE with frame, with edges on all sides  
for use with any material. Ideal for terrazzo.

## HIGHLINE PANEL

HighLine panel comes in five colours: Brushed or hand polished stainless steel, brushed black, brushed brass and brushed copper.

Reframe Collection toilet brush, toilet paper holder, soap shelf and wiper | Brass  
HighLine Colour bespoke floor drain | Brass

Reframe Collection corner soap shelf and wiper | Hand polished steel  
HighLine bespoke floor drain | Custom without frame

HighLine freestanding floor drain | Cassette with frame

GlassLine shower screen | Transparent  
GlassLine shower door  
HighLine floor drain | Custom

Top rail | steel

Integrated floor drain

## GLASSLINE - STATE OF THE ART

Unidrain GlassLine is a glass wall solution with an integrated floor drain and built-in slope, securing an easy installation and water tight solution.

Only a discreet steel frame is visible along the wall and floor, showcasing the elegant lines and providing a timeless look.

Glass surfaces are treated with Cleantec for easier maintenance.

HighLine floor drain | Custom tile solution

### HIGHLINE CORNER DRAIN

The corner drain is the simple and discreet solution for bathrooms and utility rooms where space is limited. The corner drain comes as steel panel with/ without frame and as Custom tile solution. The frame is optional but is designed to emphasise the exclusive design of the floor drain. The height of the frame (10, 12 or 25 mm) depends on the thickness of the floor tile.

Glue a matching floor tile on the base to complete the custom solution.

## MATCHING COLOURS

The Reframe Collection is designed to match the award-winning Unidrain HighLine-series. Choose between five colour options: hand polished or brushed steel, brushed copper, brass or black.

## SHOWER WIPER

The wiper consists of two parts; a reinforced steel frame and a high quality silicone blade. This construction ensures an effective and even cleaning of all surfaces. Built in 'bumpers' on all sides protect your designer tiles.
