### About the Product

The Cara Lockable Notice Board has an aluminium frame in silver and door glazed with 3mm PETG. Available in either a single or double door depending on the size selected. The board has a double key and lock anti-droop supporting plate. Supplied with easy fix corners & fixings. Suitable for indoor use only.

### About the Camira Cara Fabric

Camira Cara fabric is widely used for commercial interiors and is fire rated to BS476 Part 7 Class 1, EN1021. Our range of Cara notice boards are designed to match office screen and chairs in the same fabric.

### Fire Ratings on Pin Boards

#### European Standards Class B (Highest Rating)

Class B fire resistant pin boards have been designed and tested to meet the latest European fire regulations EN13501-1:2007+A1:2009 Class B. These notice boards are suitable to be mounted in corridors, stairways, lobbies, escape routes and dead end corridors. Please note the European Class B replaces the British Standard Class O

#### British Standards Class 1

Class 1 fire resistant notice boards have been designed and tested to meet British Standard BS476 Part 7, Class 1. The boards have a fire resistant material covering/surface and are suitable for offices and classrooms where the risk of fire is minimal. If there is any risk of fire whatsoever then Class B is advised.

### Glazing

Manufactured from flame inhibiting 3mm PETG.

### Delivery

Delivery normally 7-10 working days. Please call if your order is urgent

### Other Cara Products

Cara notice boards also available unframed, aluminium and wooden framed in a choice of oak, beech, ash and sapele. We also offer all the standard cara notice boards in a lockable version, these can be upgraded into class 1 with a sundeala inner core. Please call for pricing details.

**Please Note:**

Fabric colours shown on this web site are a digital representation only. Standard fabric colours can vary from roll to roll. If you have any concerns regarding one of the stock fabric colours, please call for a sample on 02476 010076.
