About the Product

The Allure mobile board has 34mm deep aluminium frame in satin silver with two sliding doors in rigid 4mm acrylic with lock. There is a choice of magnetic backing for use with magnets or alternatively a natural cork for use with pins. The board is supplied with two 2000mm high x 50mm wide tubular posts with heavy duty cast aluminium star base and removable wheels. The board is held securely onto the posts by a height adjustable collar (top and bottom) with U shaped section.

Also available as single door case with hinged door that can be mounted onto a single post.
