About the Product

Mobile glass writing board with magnetic properties. The board is available in one size 1500mm wide x 1200mm high (landscape position) Unlike most mobile whiteboards this stands out due to its eye catching chrome effect frame. The board rotates horizontally allowing a more comfortable writing position. The 4 locking castors allows the board to be moved easily from room to room for meetings and gives added stability. Ideal whiteboard for meeting rooms and boardrooms. Comes complete with a chrome coloured pen tray.
