About the Product

The Staff In/Out with Photos notice board is produced from a robust, high impact, vacuum-formed polystyrene. The board comes with in a choice of either 10 or 20 names, which all come with in/out sliders showcasing who's in the office at any given time. Each board is supplied with a slot for inserting staff photos next to each name. Each board is supplied with a wall fixing kit. These boards can be removed from the wall in the event of an emergency so the whereabouts of staff and personnel can be tracked safely.
