About Tradition 30

The Tradition 30 Wall Mounted External Notice Board has a 30mm deep aluminium frame with single side hinged door glazed with 4mm plexishock and is supplied with two keys. The board has a rapid swap door system which allows you to replace the door easily should it become damaged without the use of tools or removing the poster display. The board has an elastomer seal, anti-condensation vents and zinc electroplated steel backboard for use with magnets.

The optional internal title plate consists of 1mm thick, white vehicle grade magnetic material with vinyl text or text and full colour logo. Unless otherwise specified, vinyl text will be supplied in Arial. Please enter text as you would like it to appear in the box provided. The text can be in upper and lower case or all in capitals.

Please note that the magnetic header takes up some of the usable display area.

Logo Artwork

If you require a logo, please send a high resolution copy of your logo in a vectored eps file to sales@noticeboardcompany.com. Also advise the position the logo in relation to the text.

Once we have received your requirements we will email a proof. Headers are not printed until the approval of the artwork.

Please note that we also supply externally fitted shaped aluminium headers. Please visit the personalised section.

Important

Please note that this product is not suitable for use with whiteboard marker pens.

Material and Standards

The Tradition 30 has an aluminium profile EN AW 6060 - BS EN 573-3. The door is glazed with plexishock glazing which is a transparent organic UV blocking material with good shock resistance ISO 7032-2. Aluminium posts EN AW 6106, EN AW 6060 and EN AW 6063 - EN 755-2 providing high mechanical strength.

Wall Mounting

Wall mounted notice boards are pre-drilled through the back panel. They are not supplied with fixings.

Delivery

Delivery normally 7 working days. Please call if your order is urgent

Installation

All Tradition 30 cases are designed to be hinged on the left. If you wish to hang the door so it is hinged on the right, please install as normal then remove the three rubber adhesive pads located down the integrated hinge, rotate the door to the right and replace the rubber adhesive pads.

Other Products

The Tradition 30 External Notice Board is available, wall, post and rail mounted and have the option of an externally mounted shaped header with a message of your choice. Please visit the relative page on the web site.

Guarantee

The Tradition 30 has a 5 year guarantee against manufacturing faults.
