About Apollo Wall Moutned Board

The Apollo Notice board has a curved, powder-coated aluminium frame with a single top hinged lockable door with 4mm polycarbonate glazing and is supplied with two keys. The integrated proprietary locks are positioned on the underside of the frame, offering additional security. The case is 80mm deep overall with 30mm depth between the insert and glazing. The board surface is a 12mm premium pinboard backing with a felt covering available in a choice of colours, and is for use with push pins.
