About Budget Poster Frame

The budget poster frame is an entry level board for outdoor use. It has a 45mm deep aluminium frame in satin silver with side hinged door and 2mm acrylic glazing. The door has a single lock with two keys and is fitted with door stays and rubber seal. Inside the case there is a grey pinboard backing for use with drawing pins. The board can be hung in both portrait and landscape position. Supplied with wall fixing kit.

The budget poster case is designed for a single poster and ideal for use in an outdoor under cover area.

NOTE: Sizes shown are internal and not the external measurement.

Important

Please note that due to the internal depth of the case drawing pins are needed to hold the poster in place.

Wall Mounting

Boards are pre-drilled for wall mounting and are supplied with wall fixings.

Also in the Range

Also available in a range of powder coated frames.

Delivery

Delivery normally 2 working days. Please call if your order is urgent.
