About the Product

Lockable notice board mounted onto tree shaped steel backboard. The door is glazed with 4mm thick plexishock glazing and has a single lock with two keys supplied. Holds 6 x A4 sheets of paper (2 x rows of 3 x A4 portrait)

The post mounted version is in 13mm high density compact, on to which the notice-board is mounted, with the back plate painted the same as the tree. It is delivered with a 93 x 93 mm wooden post with a galvanised base socket/plate. The back of the tree is also painted and decorated. The tree is approx 2m high, the notice-board being approx 1.2m from the ground.

The wall mounted version in 2mm steel sheet. The sheet used for the top of the tree also serves as the back plate of the notice board (as is the case with the rest of the Creature range of notice boards). It remains waterproof by using a joint /gasket between the frame and back plate.
