### About the Product

The cara presenter is a highly adaptable product. It's ideal for for events and promotions and keeping sensitive information private.

The board has an aluminium frame with doors covered in Camira Cara fabric. The doors are held securely shut by a double Allen key lock directly through the profile. The board attaches to the wall through easy fix corners, alternatively you can stand on a table as a presenter (Please note the reverse of the board does not have a fabric covering) The outer doors can then be used as a pinboard, inside the board there is a large pinboard surface suitable from drawing pins. A board sized 1200 x 900mm high with the doors shut has a internal display area of 2400 x 900mm high.

This product is ideal for hospitals, GP surgeries, police or anywhere sensitive information needs to be kept secure.

### Note

The fabric covering which can be substituted for dry wipe, alternatively you can have whiteboard on the outer doors and pinboard inside. There is also the option of having different colour fabrics on the different internal panels.
