

Wooden Frame Lockable Whiteboard

- Choice of 3 wooden frames
- Magnetic whiteboard surface
- 3mm PETG glazing
- Double key lock
- Supplied with wall fixing kit

About the Product

Lockable Magnetic Whiteboard with solid wood frame in a choice of oak, beech, ash and sapele. The frame is a chunky 35mm wide in a natural untreated true hardwood. If required the frame can be finished with a bri wax which gives a soft sheen.

The board is glazed with 3mm PETG. Available in either a single or double door depending on the size selected. Suitable for indoor use only.

About the Whiteboard Surface

Magnetic whiteboard surface suitable for use with magnets and whiteboard markers.

Glazing

Manufactured from flame inhibiting 3mm PETG.

Delivery

Delivery normally 7-10 working days. Please call if your order is urgent
