

Hawker A-Frame Chalk Board

- High quality UK made chalkboard with straight top
- European redwood frame
- Choice of frame colours
- 6mm exterior grade melamine chalkboard surface
- Suitable for use with chalk or liquid chalk pens
- Easy clean surface

About the Product

High quality UK made A-Frame chalkboard. The board has a curved top and the frame is manufactured from European Redwood supplied from FSC sustainable sources and is available in a range of stain colours. The melamine surface is moisture resistant and suitable for liquid chalk pens.

Other Products

Also included in the range wall mounted and table top versions along with accessories.

Accessories

Liquid chalk pens produce a 'chalk look' without a chalk mess. They work exceptionally well on chalkboards without and ghosting effect.

Chalkboard cleaner is specially formulated granules that you simply add to water and spray the area to be cleaned. Wipe the residue with a damp cloth, dry surface and you're ready to write your next message.

Branded Boards

We also offer branded boards. Minimum order quantity 10 units. Please call for a quotation.

Please Note

Colours shown on this web site are a digital representation only.

Delivery

Deivery normally 3/5 working days
