

Combination Forbo/Magnetic Dry Wipe Notice Board

- Aluminium frame
- Combination surface Forbo/dry wipe
- Ideal for use with pins and whiteboard pens
- Easy fix corners
- Supplied with wall fixing fit

About the Product

Slimline aluminium framed boards have a silver satin frame and easy fix corners which conceal the fixing screws. The board is split 50/50 with half a forbo surface and the other a dry wipe area. Bespoke sizes are available on request. Please call our sales line on 02476 010076 for a quotation.

About the surface

Dry wipe board suitable for marker pens and forbo nairn suitable for pins.

About Forbo Nairn

Forbo Nairn bulletin board is the ultimate pin board surface. Linoleum finishing material produced from renewable/natural products. The surface is antistatic and bacteriostatic and so is hygienic and clean. The product can be wiped with a damp cloth or PH neutral solution. The surface is resilient, hard wearing and has a self-healing.

Delivery

Delivery normally 10 working days. Please call if your order is urgent

Other Products

Other forbo product include unframed boards, aluminium and wooden framed and lockable version.
