- Solid wooden framed
- Polycolour recycled Surface
- Ideal for use with drawing pins
- Door glazed with 2.5mm thick polycarbonate
- Double key lock
- White title plate with logo and text
- Supplied with wall fixings

### About the Product

Solid wood framed lockable notice board with in a choice of oak, beech, ash and sapele. The frame is a chunky 35mm wide with a 9mm thick and is a natural untreated true hardwood. If required the frame can be finished with a bri wax which gives a soft sheen.

Doors are glazed with 2.5mm thick polycarbonate glazing and have a lock and key. Supplied with wall fixing kit. Bespoke sizes are available on request. The title plates can be personalised with logo and text of your choice. The height of the title plate depends on the size of the board selected.

### About Polycolour Board

The new polycolour notice boards are made from 100% PET plastic which depending on the colour, contain up to 90% post-consumer material. Polycolour has no fabric covering. Polycolour FR noticeboards are fire resistant to Class B fire rated by the ASTM E84 test. Polycolour boards are acoustically absorbent (Noise Reduction Coefficient of 0.8) with a felt like finish. Polycolour FR are also recyclable in the PET waste stream.

### About the Title Plate

The title plates can be personalised with logo and text of your choice. Please email a high resolution copy of your logo to [sales@noticeboardcompany.com](mailto:sales@noticeboardcompany.com). Advise the position on the logo in relation to the text. Please note that title plates are not printed until we have received approval of the header proof.

### Logo Artwork

If you require a logo, please send a high resolution copy of your logo in a vectored eps file to [sales@noticeboardcompany.com](mailto:sales@noticeboardcompany.com). Also advise the position the logo in relation to the text.

Once we have received your requirements we will email a proof. Title plates are not printed until the approval of the artwork.
