### About the Product

Solid wood framed lockable notice board with in a choice of oak, beech, ash and sapele. The frame is a chunky 35mm wide with a 9mm thick and is a natural untreated true hardwood. If required the frame can be finished with a bri wax which gives a soft sheen.

Doors are glazed with 2.5mm thick polycarbonate glazing and have a lock and key. Supplied with wall fixing kit. Bespoke sizes are available on request.

### About Polycolour Board

The new polycolour notice boards are made from 100% PET plastic which depending on the colour, contain up to 90% post-consumer material. Polycolour has no fabric covering. Polycolour FR noticeboards are fire resistant to Class B fire rated by the ASTM E84 test. Polycolour boards are acoustically absorbent (Noise Reduction Coefficient of 0.8) with a felt like finish. Polycolour FR are also recyclable in the PET waste stream.
