

Envy Outdoor Recycled Lockable Notice Board

- Superior Quality External Notice Board
- Made from 100% recycled UK waste
- 100% recyclable at end of life
- Authentic wood grain effect plastic
- Requires no maintenance
- Completely rot proof

About the Product

The Envy Recycled Outdoor Notice Board is manufactured from 100% recycled UK waste. This premium quality product allows year's of use with no maintenance. The case has a attractive synthetic wood frame and is completely rot proof. The single door is glazed with 4mm thick shatterproof polycarbonate and has a double stainless steel lock for added security. Boards can be supplied in either the portrait (side hinged) or landscape (top hinged) position. Boards supplied in the landscape position have gas strut opening. Vent holes minimise condensation.

Inside the board is a magnetic surface in white. Magnets are included for displaying your notices and posters.

Material and Standards

Frame manufactured from 100% recycled UK waste. 100% recyclable at the end of life
