

One of the best ways to protect mail from theft and the subsequent identity fraud is by using a secure, accredited mailbox to stop thieves being able to smash or fish the box. This is recommended by police forces across the UK and by the police-endorsed and Secured by Design (SBD) scheme

**24%** of British people have been victims of identity theft

**the UK is the ID fraud capital of Europe**

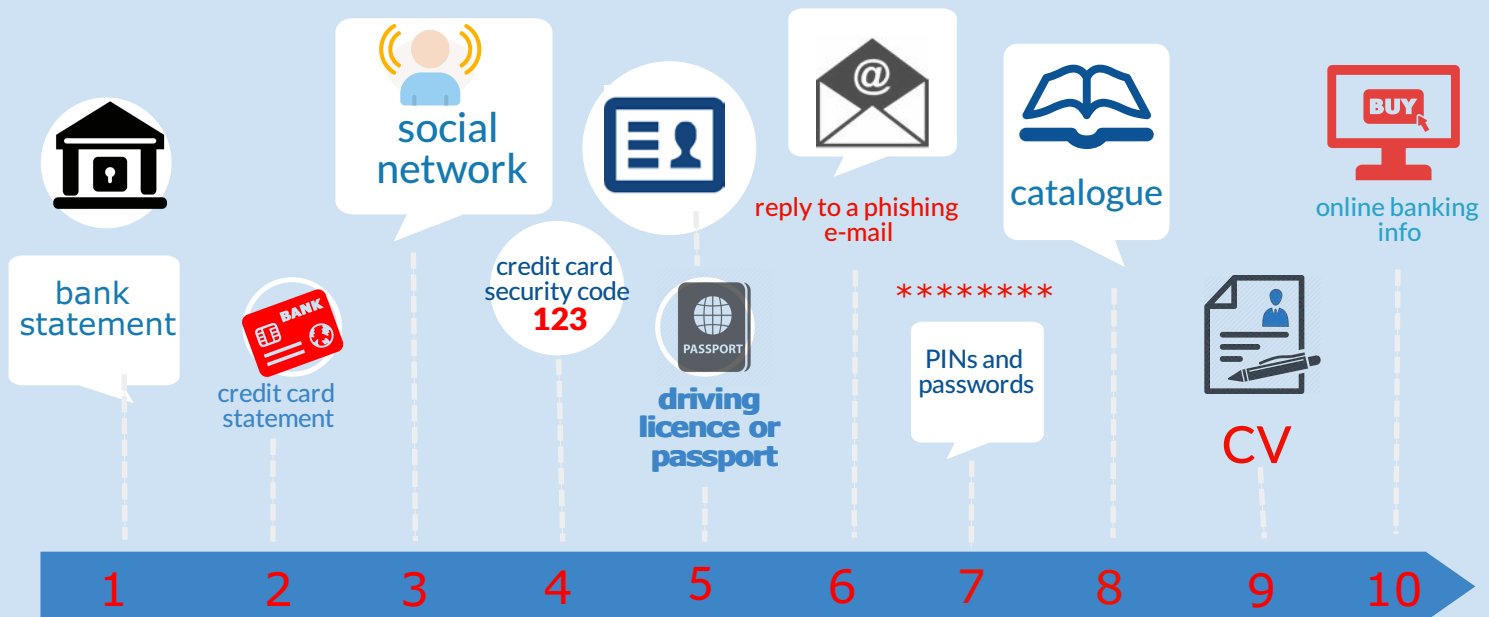

one third of ID fraud is the result of mail theft
