

# THE CLARK-DRAIN B125 SLIDE OUT COVER

## SLIDE OUT COVER FOR SAFE AND EASY UTILITY ACCESS

A MEDIUM DUTY COVER AND FRAME, THE B125 SLIDE OUT COVER, OFFERS AN ERGONOMIC DESIGN FOR USE IN PAVEMENTS, PEDESTRIAN AREAS AND DRIVEWAYS SUBJECT TO LIGHT VEHICULAR TRAFFIC.

The Clark-Drain B125 slide out series benefits from the latest thinking from our expert design team and includes user-friendly slide out capability which reduces the effort needed to remove the cover by a single operator. These latest additions, incorporating Clark-Drain's high engineering standards, make it a safer option when considering workplace injury risks associated with manual handling.

Kitemark certified to comply with BS EN 124 to deliver and exceed a B125 loading class performance, the slide out cover provides significant improvements in relation to:

- Health and safety
- Maintenance access
- Strength and durability

# THE CLARK-DRAIN B125 SLIDE OUT COVER

## SLIDE OUT COVER FOR SAFE AND EASY UTILITY ACCESS

### Asset Security

Available as a locking option to counteract the problem of metal theft

### Road Safety

Available with optional Skid-Resistant coating on cover surface

### Exceeds the BS EN 124 loading requirement

B125 loading is Kitemark certified to a 12.5 tonne load rating capacity

### In situ performance

Closed keyways reduce odour egress

### Easy and quick access

Horizontal keyway position optimises the slide out capability when using a standard CLKS 553 or CLKS 556 lifting key or other third-party manual lifting tool

### Safety by design

Slide out cover aids operator access and reduces the risk of work place injury from manual lifting

### Cost control

Slide out capability eradicates the need for a two man lifting operation saving on maintenance labour costs – especially in difficult to access areas

Manual lifter tool shown is not supplied by Clark-Drain.

Product Code	Clear Opening (mm)	Loading Class	Overall Size (mm)	Frame Depth
CLKS 762 KMB	600 x 450	B125	662 x 512	40
CLKS 777 KMB	600 x 600	B125	663 x 663	40

Optional Skid-Resistant coating and locking versions available
