

PRODUCT INFORMATION

Junckers Single Stave Parquet

PRODUCT DESCRIPTION

Junckers Single Stave Parquet is manufactured as untreated single staves.

The staves are available in different sizes, widths and thicknesses, see **Product Data / Tolerances**.

Each stave is tongued and grooved on all four sides.

The staves are available as right- and left hand staves.

After gluing down the staves, the floor is sanded and surfacetreated with lacquer or oil.
