All dimensions are nominal. Widths vary depending on project. Due to variations in the photographic and printing process, colours shown in this brochure may vary from the actual product. It is advisable to refer to a product sample before making your purchase. We reserve the right to change the specification of these products without prior notification. Please note sparkle finishes contain a reflective sparkle effect.

Technical information

- ▶ Width: 1m, Height: 2.4m, Thickness: 10mm
- ▶ Light and easy to handle
- ▶ Waterproof, rot proof, hygienic
- ▶ Use product between -20°C and +60°C
- ▶ For down lighters - please refer to temperature information
- ▶ Only a low tack masking tape may be used during installation and removed immediately afterwards
- ▶ Simple to cut using a fine toothed saw
- ▶ Edging and finishing trims available
- ▶ Extensive range of colours available

Care & Maintenance

All **AQUA 1000** & **AQUA 10003D** waterproof panelling is more hygienic and easier to maintain than tiles. Simply wipe down with hot soapy water and a soft cloth. The non-porous surface provides excellent protection against bacteria and stains.

Please note: abrasive cleaners and bleaches **MUST NOT** be used on any Aqua product.

Fire rated

The Reaction to Fire classification according to BS 476-7 is Class 3.

Fixing options

AQUA 1000 & **AQUA 10003D** PVC waterproof panelling is fixed by adhering the panels to an appropriately sound, flat and plumb subsurface. If the subsurface is uneven then a timber batten frame should be installed to create a suitable subsurface to adhere to. Full installation instructions are supplied with all products.

10 Year Warranty

Aqua 1000 & Aqua 10003D PVC waterproof panels carry a 10 year residential/domestic warranty against manufacturing defects. For the full terms and conditions of this warranty please refer to the Aqua Extended Warranty and Terms & Conditions document. Note installation of the product must be in accordance with the fitting instructions supplied as incorrect installation will void the warranty.
