NEW

### proplas tile range

The realistic grout line design of Proplas Tile wall panelling is set to appeal to those who like the look of real, large format tiles and favour mess-free, cost-effective installation and low maintenance. This stylish range offers six elegant designs all in a contemporary matt finish.

# TRANSFORM EVERY SURFACE IN **STYLE**

White Ash Matt

**100%  
WATERPROOF**  
Suitable for wet areas

**COST  
EFFECTIVE**  
Value alternative to tiling

**FAST FIT**  
Quick, easy fit, no wet trades required

**NO HASSLE**  
Virtually maintenance free

**NON POROUS**  
Non porous and mould free

With contemporary designs including sparkles and marbles, plus tactile matt textures and light reflecting high gloss finishes, Proplas creates a stylish look in any setting including bathrooms, kitchens and utility rooms. Proplas panels are ideal for walls and ceilings and can be simply fixed over existing surfaces like tiles or Artex. Note, ceiling downlighters are not a problem with Proplas, as the product can withstand up to 60 degrees heat. Renovation and refurbishment made fast and easy.

# CREATE A STUNNING LOOK WITH TILE **STYLE**

All the style of tiles - without the cost, fussy fitting, mess and maintenance. The Proplas tile range is a great value, great looking solution that's quick and easy to install. Ideal in wet and dry areas, it is 100% waterproof and available in two styles with a choice of either matt or satin finish. The surface is warmer than tiles and is durable, hygienic and very easy to clean.

The matt panels combine the latest trends for tactile materials, organic colours and natural stones, offering 6 contemporary matt finish décors, all with a realistic grout line.

# TECHNICAL INFORMATION

## & FINISHING TRIMS

### Fixing Options

PanelStyle PVC waterproof panelling is fixed by adhering the panels to an appropriately sound, flat and plumb subsurface. If the subsurface is uneven then a timber batten frame should be installed to create a suitable subsurface to adhere to. Full installation instructions are supplied with all products.

### Care & Maintenance

All PanelStyle PVC waterproof panelling is more hygienic and easier to maintain than tiles. The non-porous surface provides excellent protection against bacteria and stains.

**Please note:** abrasive cleaners and bleaches **MUST NOT** be used on any PanelStyle product.

### 5 Year Warranty

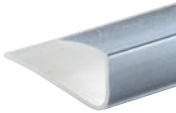

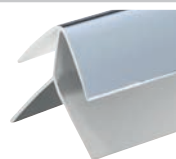

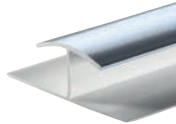

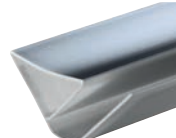

PanelStyle PVC waterproof panels carry a 5 year residential/domestic warranty against manufacturing defects. Full terms and conditions are available by request. Note installation of the product must be in accordance with the fitting instructions supplied as incorrect installation will void the warranty.

### Fire Rated

Fire Rating tested to BS EN 13501-1:2007 achieving and F.R. classification of C,S3,D0.
