

The logo features the brand name 'AKW' in a large, bold, white sans-serif font. Below it, the tagline 'Life Made Better' is written in a smaller, white sans-serif font. The entire logo is set against a solid red rectangular background.

AKW
Life Made Better

A modern bathroom featuring a white pedestal sink with a chrome faucet, a white toilet with a chrome flush handle, and a white vanity cabinet with a marble top. A round illuminated mirror is mounted on the wall above the sink. The room is decorated with a potted plant, reed diffusers, and various toiletries.

Livenza Plus

Sanitaryware

SPECIFICATION GUIDE

Livenza Plus

Sanitaryware

Livenza Plus® is an improved, redesigned range of fully compliant sanitaryware that offers flexibility and choice, and also boasts new features, including a rimless toilet pan for enhanced hygiene.

With over 35 years experience, our new range of contemporary sanitaryware has been carefully designed with quality and functionality in mind.

The Livenza Plus collection is versatile and flexible, with a variety of stylish pedestal, seat and flush options to suit your requirements, and a wide range of brassware products to complement and complete any bathroom look.

LIVENZA PLUS

Features & Benefits

The stylish new Livenza Plus WC has been designed to complement any bathroom look; it also features a rimless toilet pan, fully compliant cistern, and offers a choice of seat and flush options.

Livenza Plus WC & cistern with lever flush

Code: 23916

Livenza Plus WC & cistern with raised push button flush

Code: 23902

- + A new rimless toilet pan offers improved hygiene levels by preventing the build up of bacteria and making the pan easier to clean.
- + Rounded edges and corners minimise the risk of injury in the event of a trip or fall.
- + 3/6 litre flush options for increased performance and water efficiency.
- + Available with either a raised push button or lever flush, both of which ensure the WC can be easily operated by hand or with a closed fist or elbow.
- + Bottom inlet water entry to simplify pipework.
- + Cistern is fitted with a top-fill inlet valve that has an all round air gap which fully complies with the current water regulations.
- + Horizontal outlet for easy installation and maintenance.
- + Includes easy-to-secure floor fixings and matching white caps to prevent rusting.
- + BS EN 997 approved toilet pan for guaranteed flush performance.
- + Choice of two contemporary seat options, both featuring soft-close mechanisms which are slower, quieter and safer for users.
- + PP seat is constructed from polypropylene and provides a stylish, lower-cost option; Carbamide seat is made from extra strong plastic, offering a tougher, more durable seat.
- + Pan, seat and cistern (inc. flush mechanism) supplied separately.
- + Overflow pipe has been increased to 300mm to fully comply with current water regulations.

Basins

- + Available in three widths: 450mm, 500mm & 550mm
- + Rounded edges and corners minimise the risk of injury in the event of a trip or fall.
- + Choice of 1 or 2 tap holes, allowing for the use of twin basin or mixer taps.
- + Contemporary yet functional design, with a flat tap deck providing a level surface which is easy to clean.
- + 1 tap hole basins are available with or without a chain-stay hole, depending on preference. Basins without a chain-stay hole allow for a clicker or a plug and chain anchor waste, with a plug and chain waste suitable for basins with a chain-stay hole. All waste types are available to purchase separately.
- + 2 tap hole basins feature a chain-stay hole, with plug and chain waste available to purchase separately.

Pedestals

- + Choice of either semi, petite height, or full height pedestals.
- + Standard double-ended bolts supplied with the semi pedestal to provide ease of installation for competent tradespeople.
- + Ultra stylish semi pedestal design gives the illusion of greater space, allows for much easier cleaning and convenience, whilst also providing closer access for seated or wheelchair users.
- + Full pedestal design provides a more traditional aesthetic, offers greater stability, and cleverly conceals plumbing.
- + Choice of two full pedestals, with petite and full height options available to suit user preference.
- + Pedestal, waste and taps supplied separately.

WC, Basin & Pedestal
