

AFTER 10 YEARS OF WEATHERING††

Previous Woodstain Ultimate Woodstain

Previous Woodstain Ultimate Woodstain

Up to 10 year protection can mean years longer before maintenance is required:

- Cost savings
- Less disruption
- Reduced carbon footprint

††Based on accelerated weathering tests conducted in Florida. Test results equivalent to 10 years weathering in the UK.

†Brush loaded without product being stirred.

ULTIMATE QUALITY THANKS TO 'STRUCTURED IN-CAN FORMULATION'

Ultimate quality is a difference you can see, thanks to it's structured in-can formulation. This results in even coverage with easy application, plus excellent flow out of brush marks for an outstanding finish.

ULTIMATE ECONOMY WITH EXCELLENT SPREADING RATE

20m²/L[#] coverage means one 5 litre can covers 7 more doors than 15m²/L and twice as many as 10m²/L**

Spreading Rate of 20m²/L*
28.5 Doors

Spreading Rate of 15m²/L
21.5 Doors

Spreading Rate of 10m²/L
14.25 Doors

*The number of doors covered is based on a standard door with the following dimensions: 1980mm x 860mm x 20 (44mm).
**As guide for practical coverage which can be achieved under normal conditions in 20m²/L new
