

VERSION 4.1 FEBRUARY 2017

Greenbarnes Oak Smallboards

Designed to fulfill the widespread need for small-scale, simple notice boards, our Oak Smallboards are ideal for displaying timetables, menus, byelaws, service times and general notices in instances where a bigger board is not required. They are suitable for a wide range of users including councils, churches, restaurants, sports clubs and residents associations. Boards are constructed in solid oak and have easily pinnable self-healing rubber pinboard. Glazed boards have an integral weatherseal and 4mm toughened glass as standard. Doors are fitted with stainless steel hinges and locked by two allen key-operated recessed fasteners. Available in sizes from A4 up to A2. Smallboards can be supplied glazed or unglazed for mounting on posts, walls or railings. Standard finishes are light or dark oak microporous woodstain.

VERSION 5 | FEBRUARY 2017

Greenbarnes MmT Smallboards

Designed to fulfil the widespread need for small-scale, simple notice boards our unique Man-made Timber Smallboards are ideal for displaying timetables, menus, byelaws, service times and general notices and have the added bonus of requiring virtually no maintenance unlike their timber counterparts. They are for a wide range of users including councils, churches, restaurants, sports clubs and residents associations. Frames are manufactured from recycled plastic Man-made Timber which has the appearance of wood but will not rot, split or warp. Available in sizes from A4 up to A2, Smallboards can be supplied glazed or unglazed for mounting on posts, walls or railings and come as standard with self-healing rubber pinboard. Glazed boards have an integral rubber weatherseal, 2 locks per door and stainless steel hinges.

Aluminium and Steel Poster Cases

We offer a choice of 4 complimentary ranges of poster cases in a choice of aluminium, mild steel and stainless steel. All are available in the popular sizes of A2, A3 and A4, 20" x 30", 30" x 40" and 40" x 60". The Saturn range manufactured in powder-coated steel also offers dedicated A3 menu cases, (portrait or

landscape) with a header space for branding. All are lockable with 1.5 or 2mm polycarbonate glazing and both ranges of aluminium cases come in a choice of finishes. In all ranges posters are retained by clips with Saturn and Goliath also offering magnetic back panels (fitted as standard), or alternatively, a choice of felt-covered pinboard, dry-wipe board and chalk board.

Steel Framed Poster & Menu Cases

Saturn & Goliath poster cases offer a tough and practical range of poster cases in 7 popular sizes. Saturn cases are constructed in powder-coated mild steel, whilst their Goliath equivalents are manufactured in stainless steel with a brushed, satin finish. Saturn menu cases have a deeper header rail to take graphics. All cases other than menu cases have magnetic back panels as standard with the alternatives of felt pinboard, drywipe or chalkboard being available in most sizes (see table below for details). Bright and efficient low-voltage LED illumination is available as an option on all models.
