

**Balustrading - *it's not just about price,  
it's also about the quality, longevity  
and the 'wow factor'.***

**There's no need to compromise when we can offer you a competitive price and the following:**

- **Two great handrail profiles to choose from.**
- **Anodised or powder coated aluminium finish - WILL NOT RUST!**
- **Standard colour finishes – Royal Chrome, White, Silver or Bronze. RAL colours also available.**
- **10 year guarantee on finishes - even on coastal locations.**
- **Maintenance free – just wash with water to keep clean.**
- **Minimal posting and NO corner posts or ugly glass clamps.**
- **Balustrading available up to 1.8m in height giving great wind protection.**
- **Self-clean glass option.**
- **Bespoke products made to your exact measurements.**
- **We produce straight, curved or angled balustrading.**
- **You're in control - our technical team produce drawings of your product for you to sign-off before manufacture.**
- **Fast-track service available for certain products.**
- **We also produce Juliette Balconies and Curved Patio Doors.**
- **Showroom open to the public at Blindley Heath close to Gatwick Airport.**
- **Buildings regulations compliant with full documentation available for your Buildings Inspector.**
